Not a single clear notification is issued, hence all subjects (Major, Minor, MDC, SEC, ETC) The syllabus should be released and a notification should also be issued regarding the language in which the paper would be printed.

Improvement

Need change

Some work in infrastructure should be needed, and also the no of professors should be increased

Improve hostel facility

Professor

Banti kumar

The first thing is that thi In this college, bribes are taken by the teachers and the work is not done on time. At the time of admission, Rs. 3260 was to be taken from the people but some teachers there took the full Rs. 4000 and when asked the reason, they avoid the issue.

Become a professor

All the teachers of our college is good, who teaches us a good lessons

Frequent interactions with students and teachers are considered as the helpful technique to understand their needs and prohibit teacher-student agitation in college. Well available online resources can help to maintain transparency in the admission process.
