

**LANGTA BABA COLLEGE,
MIRZAGANJ, GIRIDIH, JHARKHAND**

**1.4.2
FEEDBACK ANALYSIS
AND
ACTION TAKEN REPORT 2024**

The IQAC of the college designs the feedback and collects from the stake holder to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from Teachers, Students and Alumni of the institution.

The feedback form for all the 3 stake holders is made available 24 x 7 in the website, so that the college administration could know the desires and requirement from every point of view which would lead the institution to achieve its vision.

The feedback targets following different content for different stakeholders.

- For students, it addressed curriculum and its learning related issues in terms of quality, competence, skills and professionalism.
- For teachers, the feedback addressed issues like suitability the course and its need base, outcomes of the curriculum, relationship with course content and corresponding reference material, availability of reference materials in terms with curriculum, evaluation methods and curriculum delivery, etc.
- For alumni, it aimed for responses on adequateness of courses curriculum, sufficiency of syllabus content in context of current professional standards and curriculum design in context of development of self-directed learning and problem solving approach.

The report of the feedback is submitted to the Principal of the college and thereafter the analysis is shared with all constituent heads and they are instructed to take necessary measures and actions to comply with the issues raised by the stakeholders.

Action Taken Report of Students

Feedback	Action taken
Infrastructure development required	There is a plan to construct a building, for which an estimate of about Rs 85 lakh has been prepared and NREP, Ex TS administrative approval has been obtained from En., Giridih. A building worth Rs 8 lakh is being constructed from the MP fund of Honorable MP Koderma cum Union Minister for Children and Women Smt. Annapurna Devi. The renovation of the college is being done from the internal resources of the college.
Teachers skill improve and computer lab for students	To improve the quality of teaching of teachers, five electronics boards are being installed, which will remain online through WiFi.
Best teachers should be provided in the college	For the recruitment of qualified teachers, the appointment is being made as per UGC rules by publishing advertisement in the newspaper as per the instructions of GB.
Computer facility and computer classes	Computer labs are being constructed in the college for students to study including language translation.

Action Taken Report of Teachers

Feedback	Action taken
The overall response of teachers on syllabus was good. However some were not satisfied on the non availability of the text books and about content adequacy to the syllabus.	The Feedback report of the teachers had been submitted at university.

Action Taken Report of Alumni

Feedback	Action taken
Hostel Facility needed And Library facility can be improve a little bit	There is a plan to construct a hostel for Harijan-Tribal students in the college, for which land is also available. Last 4 years we have purchased maximum possible books for library with limited resource allotment and inflibnet portal registration has been made for use as e-resources.
Increase the number of teachers	For the recruitment of qualified teachers, the appointment is being made as per UGC rules by publishing advertisement in the newspaper as per the instructions of GB.
No Higher Education facility available UG To PG	Jharkhand Government has signed an agreement to open several post-employment education centres. (ii) Affiliation for the study of PG (Hindi and History) is pending before the Jharkhand Government after inspection at the university level.
Sufficient text books and reference books with e-resources facility should be available in library.	Last 4 years we have purchased maximum possible books for library with limited resource allotment and inflibnet portal registration has been made for use as e-resources. Again ILMS software has been introduced for library e management for the stake holders.
